

REMARKS

[0001] Applicant respectfully requests reconsideration and allowance of all of the claims of the application in view of the following remarks.

Double Patenting Claim Rejections

[0002] Claims 26, 28-33, and 43-64 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-32 of U.S. Patent No. 7,155,411 to Blinn et al. (“Blinn”). (Office Action at p. 3).

[0003] Applicant is filing a terminal disclaimer in compliance with 37 C.F.R. 1.321(c) along with this response to overcome the rejection based on nonstatutory double patenting.

Allowable Subject Matter

[0004] Claims 26, 28-33, 43-64 are allowable subject to filing of the terminal disclosure. Applicant then files the terminal disclaimer herein along with the response.

CONCLUSION

[0005] All pending claims are in condition for allowance. Applicant respectfully requests reconsideration and prompt issuance of the application. If any issues remain that prevent issuance of this application, the **Examiner is urged to contact me before issuing a subsequent Action**. Please call/email me or my assistant at your convenience.

Respectfully Submitted,

Dated: 06/01/2007
